AKA, W. White, Attorney,

Please accept my apology for directing this letter to a fictional character, but I did not get your name on Saturday.

We had so much fun on the train last Saturday! Thank you so much! It was a great way to celebrate my birthday, Wendy, our Art Director's birthday and my business' 11th birthday. The Murder on the Thunder Mountain Line was a unique new adventure for us. We are always looking for new, fun, adventurous things to do as a group and we got it all and more from Death by Murder.

Everyone had a great time and it was pretty obvious that it was time to "let our hair down" and be our obnoxious, crazy selves! Thank you, and your crew, for putting up with us! I will recommend your murder adventures and will definitely participate again one day.

I've included the invitation that we designed and sent out to our friends. I think that you will enjoy it.

Sincerely,

Tricia Blaha
